

BARKitecture 2011

Dear Home Builders Association of Northeastern North Carolina Members:

We are gearing up for the 2011 Home & Remodeling Expo and are adding a new element this year – **Barkitecture!** WE offer this venue to give back to our community, add excitement, increase Show attendance, and have a little friendly competition. HBA of NENC is **asking for your participation!** During the upcoming **Spring Home Expo** we will be featuring the 1st annual **BARKitecture**. **BARKitecture** is a fun, architectural competition where we challenge you to design and build a fun, unique, functional dog house.

- All dog houses will be on display to attendees during the Home & Remodeling Expo on March 25th – 27th at the Knobbs Creek Recreation Center.
- During the Show, a Silent Auction will enable attendees to bid to purchase the dog houses.
- All proceeds will benefit the SPCA of Northeastern NC.
- Attendees will also be voting for the “BEST in Show”, naming one dog house the winner!
- Press releases will be sent out after the Show naming the winner.

Get creative, have fun, help & join us in this worthwhile venture and show off your building & architectural talents! Perhaps yours will be a “green” dog house, or possibly feature glass block, insulation, or even solar panels . . . the sky is the limit!

We ask that all houses are completed by Friday, March 4th (if possible), so we may advertise them. You can supply us with a picture & details of your project, and we will include that in our pre-Show press releases.

All dog **houses must be delivered to the Knobbs Creek Recreation Center on Friday, March 25th,** to allow us to set the display for attendees to view, vote & bid!

Please complete the enclosed registration form & fax to HBA of NENC, attention: Sheryl Lovitt, at 252-453-6668. Thank you so much, in advance, for joining in this fun & worthwhile adventure!

BARKitecture 2011

YES, I (we'll) be proud to enter my (our) custom-made dog house for HBA of NENC's BARKitecture 2011!
