

# BARKitecture 2011

**Dear Home Builders Association of Northeastern North Carolina Members:**

We are gearing up for the 2011 Home & Remodeling Expo and are adding a new element this year – **BARKitecture!**

**BARKitecture** is a fun, architectural competition where we will be challenging local High School students to design and build a fun, unique, functional dog house. The finished products will be displayed at different locations throughout our five county area prior to the Home & Remodeling Expo.

- All dog houses will be on display to attendees during the Home & Remodeling Expo on March 25<sup>th</sup> – 27<sup>th</sup> at the Knobbs Creek Recreation Center.
- During the Show, a Silent Auction will enable attendees to bid to purchase the dog houses.
- All proceeds will benefit the SPCA of Northeastern North Carolina.
- Attendees will also be voting for the “BEST in Show”, naming one dog house and the talented builder(s) the winner!
- Press releases will be sent out after the Show naming the winner.

This event will allow the HBA to give back to our community, add excitement to the event by involving our local students, increase Show attendance, and encourage a little **friendly competition.**

The HBA of NENC is **asking for your participation and support of this event!** We need local businesses to support our up and coming builders by sponsoring a “team” in this competition or by donating supplies. Recognition will be given to everyone who participates.

**If you are able to help please complete the attached form & fax to HBA of NENC, attention: Sheryl Lovitt, at 252-453-6668. Thank you so much, in advance, for joining in this fun & worthwhile adventure!**
