

BARKitecture 2011

BARKitecture is a unique, unusual and fun architectural competition where the area's local carpenters are challenged to build a one-of-a-kind, creative and functional abode for our animal friends.

These fabulous creations will be displayed at the **2011 Home & Remodeling Expo**, a three-day trade show for home improvement and remodeling. Top designs will receive awards based on votes received from show attendees.

All creations will be auctioned off to the highest bidder during the silent auction and proceeds will benefit the SPCA of Northeastern North Carolina. The auction will close at 3:00 p.m. on Sunday, March 27th.

The Art Of Pet Home Design

*Presented by the Home Builders Association of
Northeastern North Carolina*

March 25th – 27th, 2011
